

Gleeson Quarries Ltd Laffansbridge, Thurles, Co Tipperary

14

0050 - CPD - 0144

IS EN 771-3:2011 Dense aggregate concrete masonry units

Category 1, 440:350:215mm aggregate concrete masonry unit – 350mm Thermal

Dimensions: length 440 (mm), width 350 (mm), height 215 (mm)

Dimensional tolerances:

Category

D1

Flatness

1.0mm

Plane parallelism

1.0mm

Configuration:

Group 1 unit to EN 1996-1-1

Compressive strength:

Characteristic 7.5 N/mm²

Dimensional stability:

Moisture Movement

0.43 mm/m

Shear bond strength:

Fixed value 0.15 N/mm²

Reaction to fire:

Euroclass A1

Water absorption:

11.56 g/m²s

Water vapour diffusion coefficient: 5/15 µ

Direct airborne sound insulation:

Gross dry density

1300 kg/m³

Configuration

As above

Equivalent thermal conductivity:

0.58 W/mK ($\lambda_{10,dry}$)

Durability against freeze-thaw:

Not to be left exposed

Dangerous substances:

NPD
